

1. Authorisation Procedure:

- (i) The application for authorization and taking written examination does not entitle a candidate to get authorisation as CESE. The authorisation shall be granted on the basis of getting 40% marks in the written test and verification of documents pertaining to eligibility criteria. The test will be objective type (in English medium only) for 3 hours duration having 200 multiple choice questions. Each correct answer will carry plus 4 marks and wrong answer will carry minus 1 marks. The centre for the test will be at Chandigarh only. The name of the authorised CESEs shall be uploaded on the departmental website for accessibility to the consumers.
- (ii) The candidates must read the Central Electricity Authority (Measures relating to Safety and Electric Supply) Amendment Regulations, 2018 and guidelines for authorising the CESE issued by the Central Electricity Authority dated 21.06.2018 before applying for written test and he/she should fulfill the criteria as prescribed in the advertisement as well as in the said guidelines/regulations.
- (iii) All necessary documents required for authorization as CESE, will have to be produced at the time of scrutiny after passing the written examination failing which the candidature will be summarily rejected.
- (iv) The applicant, who was found indulging in violation of Government instructions earlier or whose certificate, as CESE stands cancelled due to mal-practice, misuse or any other activities affecting the safety of electrical installations, may not be eligible to apply and participate in the written test.
